

BRASS CREDIT

Credit is allowed on Brass Shipped Pre-Paid as follows:

All counts will be after the brass is received, sorted, (any steel, aluminum, & Berdan primed casings removed) inspected, cleaned and then weight counted by Precision Cartridge personnel. Once we have a true & accurate count, a check will be issued for the fired brass casings.

Please remove your brass from any plastic or Styrofoam trays, sort and separate calibers packaged in same box. Please do not de-prime brass.

Brass credit is provided for regular Precision Cartridge, Inc. customers.
